

# New Years Double 2018/2019

## Final Listing - Registrants as of sell out

\* EVE Shirts are short sleeve purple. DAY Shirts are long sleeve black.

\* Late registrants had "No Guaranteed Shirt" as an option. They can choose after the race from the shirts that were not picked up during packet pickup by those registered earlier.

\* See the field to know if you are Challenge Plate eligible. You must finish all your distances AND go to the white tent after your last race the second day to get your Challenge Plate. Not completing all of your registered distances means no Challenge Plate. Late Double 5K entrants agreed to take a last year's Double 5K Challenge Plate if we have a low no-show rate and need to use those backup Plates.
